Abbott, W. F., Intracardiac adrenalin in asphyxia neonatorum 448
Abderhalden reaction 97
Abdominal pregnancy with favourable outcome at term..... 98
—— —— secondary, case of (Hellier, J.B.)..... *66
—— wall, tumours of 130
Ablatio placentæ, Cæsarean section in..... 451
Abortion 477, 489
—— etiopathogenesis of 341
—— effect of thyroid and ovarian gland extracts in cases of previous 311
—— 1,000 cases, experience with..... 321
—— febrile 348, 480
—— —— statistics on treatment of..... 125
—— induction of, and eye lesions..... 126
—— management of 456
—— rate of sedimentation of erythrocytes in..... 480
—— treatment of..... 128, 359, 448
—— X-ray 495
Abraham, J. J., Tests for cure of gonorrhœa in women..... 308
—— —— Treatment of acute gonorrhœa in the female..... 441
Abscess, tubo-ovarian, containing a living ascaris lumbricoides 70
Acidified whole milk as a routine infant food..... 317
Acidity of gastric contents of infants..... 497
Acrania and hydromicrocephaly..... 131
Actinomycosis, genital 477
Adair, F. L., and Maland, C. O., Results gained in maternity cases in which ante-natal care has been given..... 100
Addis, W. R., Sarcoma of uterus (spec.)..... 512
Adenomyoma *539
—— of recto-vaginal septum 460
—— of rudimentary uterine cornu 367
—— of uterus with tuberculous infections..... *243
—— uterus duplex with *286
Adrenalin, action of mammary extracts upon suprarenal capsules, with special regard to..... 339
—— content in the urine of pregnant woman..... 340
—— intra-cardiac, in asphyxia neonatorum..... 337, 448
Agglutination in gonococcus infection with concentrated serum 456
—— in newborn 104

Albeck, V., Nephrosis of pregnancy....129
Alexander-Adams' operation 354
Alimentary leucopenia 489
Allen, E., and Doisey, E. A., An ovarian hormone: preliminary report on its localization, extraction and partial purification, and action in test animals....99
Amatruda, F. G. (Jt.-Author), *see* Underhill, F. P.
Amenorrhœa, hydatidiform mole associated with....*278
Anæmia, pernicious, and pregnancy....121
—— —— or hæmolytic, of pregnancy....319
—— —— in type, due to pregnancy....133
Anæsthesia during labour....327
—— block, sacral nerve, value of, in obstetrics....101
—— obstetric *264, 102, 448
—— ethylene-oxygen, in obstetrics and gynæcology....459
Analgesia, obstetric 102
Andrei, O., Hyperplasia of uterine muscle-fibres of rabbits during heat 360
Ante-natal care, results gained in maternity cases in which given 100
—— work, use of X-rays in....308
Anus vestibularis with myomatous uterus duplex bicornis...481
Apoplexy, utero-placental 464
Appendix and female genital organs, relations between....467
Armytage, V. B. Green-, *see* Green-Armytage.
Arsenic, transmission of, from mother to fœtus....317
Arterial hypertension and fibroma....132
Arthur, L., Prophylaxis in obstetrics....448
Ascaris lumbricoides, tubo-ovarian abscess containing....70
Ashe, E. O., " Vesicalization " of the stump of the cervix uteri 312
Asphyxia neonatorum, intracardiac adrenalin in....448
Audebert, and Rascol, Histological study of two Cæsarean scars 334
Auoray, Ectopic gestation in small portion of tube remaining after extirpation....114
Auto-vaccines in the treatment of puerperal sepsis....128
Auvray, Some rare varieties of sarcoma of the uterus....333

Babcock, W. W., Chemical hysterectomy....453
Bacteria of the vagina in pregnancy....*258
Baer, J. L., and Reis, R. A., Observations on capillary microscopy in pregnancy....319
Bailey, H., Serum treatment of puerperal sepsis....452
Ballhorn, W., Treatment of abortion....128
Banister, J. B., Carcinoma of Fallopian tube....142
—— —— Ruptured Cæsarean section scar....142
—— —— Sarcoma of Fallopian tube....142
Bang, F., Tumours uncommon in gynæcological practice...130
Barbera, A., Scars after Cæsarean section....340
Barris, J. D., Dysmenorrhœa due to hæmatometra....143
Bartholin's gland, carcinoma of....97
—— —— endothelioma of 142

Bigger, J. W., and Theobald, G. W., In which it is contended that gloves may be sterilized without resorting to heat; that washing of hands before operation is illogical and unnecessary; that the doctrine of abstention should above all things be practised.....*54
Birth injuries with special reference to intracranial injuries with hæmorrhage, and to nerve injuries: joint discussion 361
Bishop, K. S. (Jt.-author), *see* Evans, H. M.
Blacker, G., Treatment of menorrhagia by radium.....137
Bladder, foreign bodies in, two cases of.....483
—— troubles with uterine fibroids.....337
Blau, A., Uterine carcinoma with exceptionally long latency..121
Blindness after uterine hæmorrhages.....348
Block, F. B. (Jt.-author), *see* Clark, J. G.
Block anæsthesia, sacral nerve, value of, in obstetrics.....101
Blood, changes in, following Roentgen radiation in gynæcological diseases 124
—— constituents of, non-protein nitrogenous, in eclampsia...318
—— in gynæcology, physical and morphological condition of, collected references 357
—— in pregnancy, non-protein nitrogen and uric acid values in *595
—— recognition of fresh effusions of, in true peritoneal cavity after rupture of an ectopic gestation sac.....123

PAGE

Blood, red corpuscles, sedimentation of, diagnostic value in gynæcology 122
—— re-injections of patient's own, in vaginal hæmorrhages..121
—— retro-placental, is it suitable for sero-diagnosis of syphilis? 359
—— investigations, comparative, after Roentgen castration...488
—— platelets in gynæcological hæmorrhages.....478
—— sedimentation test as an aid in diagnosis in surgical infections 315
—— transfusion, indications for.....328
—— —— for post-partum hæmorrhage 530
